

REQUEST FOR PROPOSALS

The City of Selma is soliciting proposals to fire rate the shaft walls of the existing elevator at the Vaughn-Smitherman Museum located at 109 Union Street, Selma, Alabama. Contractors shall be required to visit the site and survey the existing conditions before submitting their proposal. Contact Ms. Kay Jones, Public Buildings Facilitator / Property Manager at 334-874-1752 to gain access to the building.

The scope of work shall include all items necessary to install one layer of 5/8" Type "X" Fire-Resistant sheet rock directly applied to the inside of the existing elevator shaft and taping all joints. Any penetrations in the sheetrock shall be firestopped per UL rated assembly for that application. Contact McKee and Associates, Mr. Keith Ross at 334-834-9933 if you require additional information regarding the work.

Proposals shall be hand delivered by 2:00 PM, Monday, February 3, 2014, to Ms. Kay Jones, Public Buildings Facilitator / Property Manager at 1000 Selma Avenue, Selma, Alabama, 36701.

The low proposal will be notified immediately and work is to begin ASAP and all work to be complete by February 28, 2014.

Proposal is estimated to be under \$50,000.00 dollars, therefore a Contractors license is not required, nor Performance, Statutory Labor and Material Payment Bonds. The proposal shall be submitted on the Vendors/Company letterhead.

All Contractors bidding the work stated above shall have general liability and workman's compensation insurance.
